IN RE: SNG COMMUNICATIONS, LLC	DOCKET NO. TCU-00-28 TF-02-125
	CERTIFICATE NO. 0245

CERTIFICATE

(Issued May 1, 2002)

On August 15, 2000, the Utilities Board (Board) issued an order granting an application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29 (1999), to SNG Communications, LLC (SNG). In the order, the Board approved the concurrence of SNG in certain exchange maps of Qwest Corporation (Qwest) and Iowa Telecommunications Services, Inc., d/b/a Iowa Telecom (Iowa Telecom), and stated that SNG would be issued a certificate when it had given notice to all affected local exchange carriers and approved tariff on file with the Board.

On March 28, 2002, SNG filed a proposed tariff that reflects the prices, terms, and conditions of its provision of resale local exchange service. The proposed tariff has been identified as TF-02-125. An order approving the proposed tariff and issuing a certificate is being issued concurrently with this certificate. Since SNG will have an approved tariff to provide local service, the Board will issue Certificate No. 0245,

authorizing SNG to provide local exchange service in the listed Qwest and Iowa Telecom exchanges.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1) (2001), authorizes SNG Communications, LLC, to furnish local telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.
